****Subject: Application for Backend Developer Role - Yash Salgaonkar****

Dear Google Hiring Team,

I am writing to express my enthusiastic interest in the Backend Developer position at Google. As a Computer Science graduate from [Your University], I have honed my skills in [Your Skills] and [Your Skills].

My academic journey has provided me with a strong understanding of core computer science principles and algorithms. I have consistently achieved high grades in my coursework, particularly in [Your Course] and [Your Course].

While currently a student, my dedication extends beyond coursework, encompassing a proactive drive to engage in projects and internships that challenge me and allow me to apply my knowledge in real-world scenarios.

I am confident that my analytical mindset, strong foundational skills, and unwavering enthusiasm for tackling complex problems make me a strong candidate for the Backend Developer role at Google.

Thank you for considering my application. I have attached my resume for your review and welcome the opportunity to discuss my qualifications further in an interview.

Sincerely,

Yash Salgaonkar
